## DEDICATION

The staff proudly dedicates the '59 PIONEER to Mrs. Winifred Howard, who has reigned over a WRHS classroom for many years. Her lofty ideals are deeply implanted into the lives of her former students as well as those of today.

"A perfect woman, nobly plann'd  
To warn, to comfort, and command  
And yet a spirit still, and bright  
With something of angelic light."

—Wordsworth

*We of the annual staff trust that the training received here may be fruitful in the enrichment of our lives--that we may be a credit to our school, our country, and our fellow citizens.*

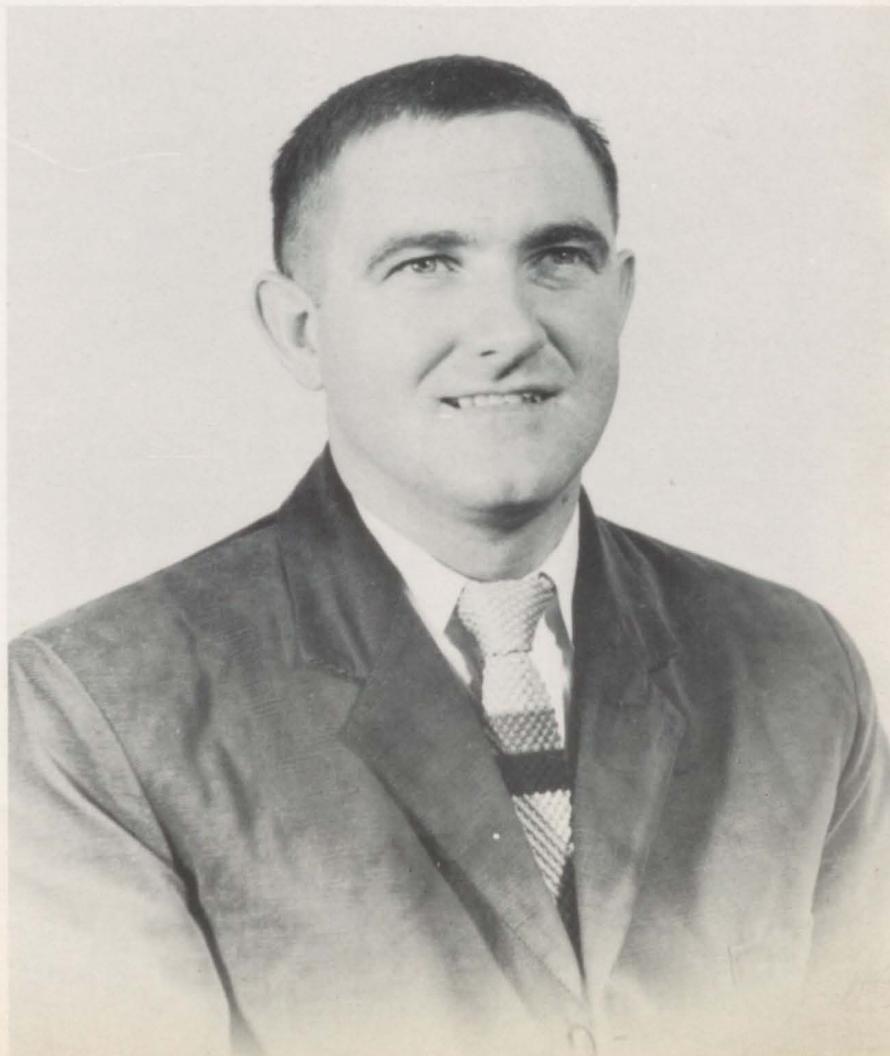

*The effort we have put forth in producing the 1959 Pioneer is to record the memories of the love and fellowship among the students and the devotion and endless patience of our teachers. If you are able to look back on these pages and remember a happy past year, our efforts will have been worthwhile.*

The Demons of '58 may not have sported a good record in the win column, but hustle and team spirit made them an interesting team to watch.

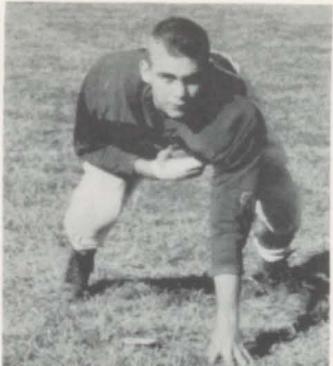

## THE SENIORS OF '58 - '59

Danny Kelly, Charlie Wilson, John Weaver, William Barnett, Wendell Peacock, Nunnally Walters, Louis Houck, Hardy Glover, J. B. Smith, James Dill, Larry Schenck, Mack Howell, Arthur Clark, Don Nelson, Ronnie Tuttle, Bobby McBee.

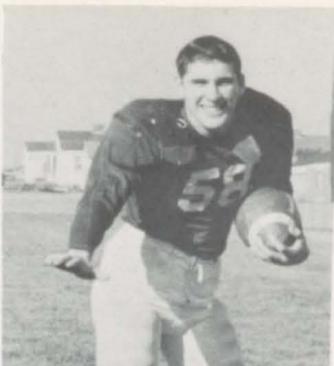

Many of these boys, who wore the colors of the Demons for the last time this year, had either played Junior High, "B" Team or Varsity ball for WRHS for five seasons. They performed for our fans through "thick & thin" and deserve the honors they received.

Much credit for a very successful year must go to coach Don La Blanc, who built a championship team after losing several members of last year's team.
